

Colestin Caprines Goat Milk Soap
SHIPPING RATES SCHEDULE

*** This Shipping Rate Schedule is good through APRIL 30th, 2010. ***

ALL SHIPPING IS VIA USPS PRIORITY MAIL except where First Class or Parcel Post ("PP" or "PP-L" [local]) options are also available, as noted.

For those of you who would like to keep your postage costs as low as possible and save money: We have developed the following postal schedule to give you as accurate and low a shipping price as possible. Just find your order quantity in the far-left column (the TOTAL NUMBER of soap bars for this order INCLUDING those in boxed sets) and read across to the column with your Postal Zone. The box where these meet in the table has the amount you'll need to enter for Postage on the Order Form. For orders with shipping rate options, please indicate the shipping option you wish and the correlating amount on the Order Form.

These Postal Zones are relative to our shipping location in Ashland, Oregon. (Lower-numbered Zones are closer; higher ones are farther away.) **You can easily determine your Postal Zone**, which is based on the first three numbers of your regular postal zip code (your zip code Postal Prefix). **Just use the Postal Prefix Lookup link on our Ordering Information page.**

If you are ordering more than 4 (four) soap bars and **if you prefer not to take time looking up your exact postage, please use the Zone 8 column** [on far right] for your order quantity.
